

## Sole Power Project delivers shoes to area third-graders

North Arkansas Electric Cooperative employees delivered new athletic shoes to each third-grade student in the co-op's service area this fall.

The Sole Power Project began four years ago as a way to help children in area public schools and demonstrate NAEC's concern for community, which is one of the seven cooperative principles by which we operate.

Students at the following school districts received a pair: Calico Rock, Cave City, Cotter, Highland, Hillcrest, IZARD County Consolidated, Mammoth Spring, Melbourne, Mountain Home, Norfolk, Salem and Viola.

For more Sole Power Project photos, visit our Facebook page at [www.facebook.com/NorthARElectric](http://www.facebook.com/NorthARElectric).

Clockwise, from top: Hackler Intermediate School, Melbourne Elementary School, Calico Rock Elementary School, Cherokee Elementary School, Mammoth Spring Elementary School and Salem Elementary School.
